

Lesson 2

READ THESE SENTENCES

Read silently, then read aloud with good phrasing.

1. **Tuberculosis is contagious, and the newest strains of it are resistant to penicillin.**
2. **If you are deficient in iron, you may develop anemia.**
3. **The rambunctious kitten acted subservient whenever the vicious older cat approached.**
4. **The rebellious teenager seemed impervious to his parents' affection.**
5. **Although previous gold miners had given up, one tenacious person finally discovered some of the precious metal in the tunnel.**
6. **The luscious banana cream pie was absolutely delicious but not very nutritious.**
7. **Frank seemed oblivious to his wife's expensive and ostentatious fur coat.**
8. **The vivacious blond seemed deliriously happy, yet her lenient parenting style led to disobedience in her children.**
