

Lesson 3
EXTRA PRACTICE #1

Latin roots can start with Chameleon prefixes or regular prefixes.

Look at your page of Latin Roots (Page 105). Find a root that could be put into both blanks on one row, that would turn both into real words.

Write that root on both blank lines. Put a different root on each row.

sub _____

re _____

sus _____

de _____

o _____

per _____

suc _____

re _____

suf _____

de _____

oc _____

re _____

op _____

dis _____
