## The Colt

**Dad and Pam went to find the colt. It was a cold stroll, but the child didn't mind.**

**Dad led her with his hand. Pam was blind. Dad would put Pam on the back of the colt.**

**It was a thrill to hug his neck as she sat on his back. When the colt went on a trot, Pam felt the jolt of his strong legs.**

**“Thank you, Dad,” she said when she had to stop.**
