Bat and Ball

Dick has skill. He can put a spin on his fast ball. If Chuck is at bat, Dick will not duck when the ball goes past.

Chuck is a whiz and can whack that ball then dash up the track. The bunch on the bench yell and clap.

Jack is in back of Chuck. Jack will not flinch. Jack has a mask and pad on. He will thrust out his mitt to grab the ball.

But I am the “ump.” I can tell them all what to do.
