

Lesson 7
READ THIS STORY #2, Basic

Sick Nick

Nick is sick. A red rash is on his neck and chest. Nick does not want the rash to last.

Mom did tuck Nick in to his brass bed. Nick has a sack of stuff to snack on and a bell to punch to call his Mom.

Mom was blunt. She said “You must not rub your skin or pick at the top of a bump. If you do not stop, I will have to stick a sock on your hand.”
