**The Chess Champ**

**Chad lost to Rick, the chess champ. Chad was glum.**

**Rick said, “Pick your chin up off your chest. Do not sulk. You just had some bad luck. I am still your chum. Let us skip back to your shack and have a quick snack. Then, you can toss a ball and I will hit it.”**

**“That is swell,” says Chad with a grin. Chad is glad he can still have fun with his chum.**
