

## Lesson 8

## READ THIS STORY #2, Advanced

**The Prank**

**It had been a prank to filch the raft. But when the raft sank, Bill and Hank clung to the rock in the big pond.**

**It was not fun to think they would have to swim back to the dock. They were not strong and the swim would be long.**

**Bill had a chill. Hank had a cramp. They hung on to a plank to help them get back. It felt grand to put a hand on land.**
