

Lesson 9

READ THIS STORY #1, Advanced

Pat

Dad says that Pat has an itch.

He can not sit still.

**When Dad has a chat with Pat,
Pat will stretch and scratch his
chin. He will bend and hitch up his
sock. He will tug at his belt. He will
latch on to the cat and give him a
pinch.**

**Dad can not tell what Pat will
do next.**

**Would you be cross if you were
Dad?**
