## The Mess

**Mom said, “You have a task to do. You must pick up the mess. When it’s done, you can run off with the gang.”**

**Kent and Matt did pick up a bit, then they quit. “We’re done!” said Matt with a yell. “Let’s blast off!”**

**Mom went to check. There was junk on the bed and trash on the desk. Mom put a stop to that trick. “You’ll have fun when the job is ALL done!” she said.**
