## Reno

**Truman had come to Reno to attempt to win at Blackjack. The hotel was very plush. There was nothing akin to it in Montana.**

**The bellhop said, “There is a pickpocket so adept that he can lift your billfold, and you will not even know it.”**

**Truman did expect to go back to Montana with a windfall in his pocket. He didn’t want anything to go amiss. So he put a big tip in the bellhop’s hand.**
