## Get Help

**Mrs. Hall was spry but she had a fall and couldn't get up. What should she do?**

**She could cry for help, but no one was there. So she did pick up a rock. There was a big crash when the rock hit the glass window.**

**Shy Mr. Smith got up in a flash and he did spy Mrs. Hall there on the grass. He put in a call to 911. They'd act fast!**

**Wasn't that the best thing for him to do?**
