Fancy Banquet

Molly is going back to the campus. There is to be a fancy banquet at a big hotel. Molly does want the old gang to envy her. She has a splendid princess dress of golden fabric with a lot of sequins. Will the class envy her as she goes gliding in with her strong Latin husband?

Now that she is a success, she does expect they will accept her. Molly doesn't want them to focus on the messy event in her past. Do you think this plan will stop the gossip?
