

Lesson 5
READ THIS STORY #1, Basic

Molly

When it is sunny, Jenny goes for a walk with her small child, Molly. If the wind is snappy, Jenny will put a bonnet on Molly and tuck her in a blanket. Then she will push the buggy up the path to visit Granny.

Granny does love to pick up Molly. She is such a chubby, happy baby. If she has a hiccup, Granny will pat her on the back and sing to her.
