

Lesson 7

READ THIS STORY #1, Basic

Mrs. Hudson

Mrs. Hudson does spend a lot of cash to stock her pantry.

If she has a hint that you are hungry, she'll rush to the kitchen and put on her cotton apron. She'll fix a batch of lemon strudel and pop it in the oven.

The kitchen is her kingdom, and all of her stuff is yummy. If you are a friend of Mrs. Hudson, you could get fat.
