

Lesson 1

READ THIS STORY #2, Basic

Lunch with Ken

Ken boasts that he knows where it is best to have lunch. But no one wants to go with Ken.

When Ken looks at a menu, he proclaims that there are no dishes that match his wishes. No waitress can suggest something that will please him. She has to stand there as Ken complains and fusses.

When he does select an item, he finishes it in a rush. Then he moans and groans when she presents him with the bill.
