Testing

Mrs. Wilson reminded the students that they would have midyear exams on Monday. Frank was disgusted. It seemed to him that Mrs. Wilson overdid the test bit. Testing always seemed uppermost in her mind.

It wasn't that all of the tests were tough. It was just that there were so many of them, and they were so long.

Often Frank didn't know the answers. He filled in all of the blanks with his pencil anyway. He just wanted to get through as fast as he could.
