Bozo

David had been traveling for three weeks. His dog, Bozo, had been staying with a friend.

David was astonished to find that Bozo had adopted some bad habits. It was unthinkable, but Bozo wet on the sofa three days in a row. He seemed to have an uncontrollable need to chew on shoes. Bozo even nipped at David when he was being petted. That was uncalled for!

The vet said that Bozo was punishing David for abandoning him. Bozo needed extra love and attention.
