

TION or SION Spelling Rules

if related word ends with:

consonant = drop it, use TION

d = SION (expand, expansion)

s = SION (regress, regression)

mit = S + SION (admit, admission)

if NO related word:

/zhun/ = SION

/shun/ after *most* consonants = TION

After L = SION

After N = look it up with a ?

/shun/ after a Long vowel = TION

/shun/ after *most* Short vowels = TION

Or else S+SION

if unsure, look it up using your best guess
