## Walk To Me

**“Walk to me, Jenny,” Mom said. “It’s very simple.” But Jenny just hung on to the post. She grinned and showed her dimple, then blew a bubble. Mama smiled back at her.**

**Then Jenny let go of the post and began to toddle. Mama laughed as Jenny did tumble into her lap. “You are getting to be so big!” Mama said.**

**Jenny tried to giggle. Then she grabbed her bottle and began to snuggle with Mom.**
