**Jimmy's Fans**

**On Tuesday, Jimmy was hoping to dazzle his fans. It was the last game of the year. Jimmy was so nimble that his ability to dribble around the enemy seemed simple.**

**The fans were cheering and clapping. The ball whipped through the basket. If he could keep up this pace, he would be a hero.**

**But Jimmy felt a cramp in his elbow. Then his leg began to tremble, and he had to struggle and hobble to the bench. Jimmy couldn't stay in the game, but he didn't grumble.**

**After the game, Jimmy was given a trophy. The coach said it was Jimmy who motivated the others to win the title.**
