Kate's Little Sister

Kate is angry. She would like to throttle her little sister Phyllis! Phyllis is such a tattle-tale. She had run to Mom and spilled Kate's secret.

It had been a mistake to hide the pack in that old shoe box. Kate knew it wasn't wise to smoke. She had just wanted to sample it once to see what it was like. Smoking had made her sick.

Now Kate is distressed. She can't wiggle out of this predicament. Kate will have to be honest when Mom comes up to talk with her.
